24-26 June, 2026

<https://ebrc-uk.org/>

Paper Submission: <https://edas.info/newPaper.php?c=34654>

About the Conference EBRC 2026

The European Business Research Conference 2026, themed "Reimagining Business for a Sustainable Future," is envisioned as a premier global forum that brings together academics, industry leaders, policymakers, to collectively explore pathways towards a more resilient and responsible business landscape. As the world confronts unprecedented economic, environmental, and social challenges, the need for innovative strategies and informed decision-making has never been more urgent.

This conference seeks to provide a dynamic platform where diverse perspectives converge to generate actionable insights and foster long-term sustainable transformation.
